"Adding the You Factor to Painting"

The theme of this workshop is: Make your paintings more personal and creative by plugging your subjects into design. Donna will demonstrate and discuss methods and ideas that will help you turn ordinary subjects into creative and imaginative paintings. We will focus on composition, color, and a personal and creative use of the elements and principles of design.

All levels are welcome and this workshop is open to all media. Donna will be using watercolor and white gouache in her classroom demonstrations. Students will work from their own reference materials (photos, sketches, etc.) and can bring paintings in progress to work on or begin new paintings in class.

Class Schedule:

The 2012 Painting In Kentucky workshops are scheduled from 9:00 a.m. to 4:00 p.m. each day.
